

Zetec Financial Services

A Powerful Resource for Your Business

The Right NDT Solution, The Right Financial Strategy

A partnership with Zetec is a complete partnership. Not only do we deliver the optimal NDT solutions to meet your needs, but we also provide you with the best financial solution to acquire these best-in-class products—Zetec Financial Services. A wide range of financial service options are available to assist you in obtaining the product solutions that make your inspections more efficient and accurate while lowering your total cost of ownership.

The Inspection Advantage

Zetec is a global leader in nondestructive testing (NDT) solutions for the critical inspection needs of industries the world counts on every day—including power generation, oil and gas, transportation, heavy industry and manufacturing. We serve as a single source for high-performance solutions in both eddy current and ultrasonic technologies. For nearly 50 years, we've advanced NDT standards and science, providing new insight and control through inspection solutions that protect your most important assets. By integrating design and engineering with our own manufacturing, Zetec delivers solutions that optimize productivity, safety and total cost of ownership. Zetec is a subsidiary of Roper Technologies, Inc., with global engineering and manufacturing centers in Quebec City and at our corporate headquarters in Snoqualmie, Washington. Zetec support spans the globe, with Centers of Excellence in Houston, Paris, Seoul, Shanghai and Tokyo.

Keep Your NDT Fleet Current

Leasing provides the flexibility to manage your fleet of NDT assets and keep your technology current; all without having to plan for large capital purchases. With leasing, you'll stay ahead of the competition while addressing your key inspection challenges.
